Update

Nineteen tickets for clean-up/debris removal left but approximately ten more expected from a trailer park. Small UMCOR crew still available but Connecticut group returned home. Team from Church of Jesus Christ of Latter-day Saints working in Silver Creek. An additional team from UMCOR will be available Tuesday, July 28th. Volunteer housing for up to twenty is available; feeding has not been needed but can be available from Mission Meadows and Lake Chautauqua Lutheran Center. A three-stall portable shower is now located at the Portland Fire Hall.

Action:

All should contact N. Cummings if housing needed

Expressed need(s)

The present needs are for clean-up and debris removal. Member agencies were reminded to communicate directly with T. Faso regarding both deployment assignments and reporting of degree to which those assignments have been met.

Action:

ALL: Communicate directly with Norma Cummings regarding both needs and resources for showering, feeding and sheltering of volunteers

ALL: Communicate directly with Tony Faso regarding volunteer assignments

T. Faso will contact Team Rubicon and Mennonite Disaster Services regarding availability of volunteers.

Action:

ALL: Please Cc Jan Tyson, Tony Faso and Tim Schwob on all communications involving NYVOAD member activity during response

Long-term recovery (LTR)

- UNYVIM/UMCOR can assist with LTR and with writing a grant for recovery materials; Roger and Donna Cullen will remain as POCs
- WNY VOAD will be cross-referencing needs and stands by to assist as the LTR group develops a plan and proceeds; J. Tyson and J. Klatt will be the POCs
- DSHES stands ready to assist as the LTR group moves forward; J. Marcella and M. Burns will be the POCs

Action:

Chautauqua County, WNY VOAD and DSHES will schedule a conference call to begin LTR discussions

<ul style="list-style-type: none"> • Chautauqua County will work with WNY VOAD and DSHES to develop an LTR plan; a conference call will be arranged among the three entities. The county POCs will be T. Faso and N. Cummings • It was stressed that one community organization with experience and/or expertise in LTR be identified as the lead moving forward.
