Background – UPDATE

The flooding in Chautauqua County Tuesday, July 14<sup>th</sup> has left behind the need to re-build two homes in Hanover and four homes in Westfield and Brocton. Eleven trailers are in need of insulation replacement and some foundations have been compromised which may need engineering analysis.

Expressed need(s)

<p>Volunteers to assist with minor repairs and non-structural foundation repair are requested.</p> <p>It was suggested the LTR committee approach local contractors to help with analysis of foundation repair requirements and to prepare estimates.</p>	<p><i>Action:</i> <b>Rev. Molly Golando</b> of Westfield United Methodist Church is the main point of contact for long term recovery efforts. Her contact information is: <a href="mailto:mollygolando@yahoo.com">mollygolando@yahoo.com</a>; (716) 679-8465</p>
